

Introducing...

Mobile Free Standing CT/MRI Facility Locator

Locating a free standing CT/MRI service provider has never been easier thanks to our partners at BlueCrossBlueShield of Massachusetts !

And it's all done in just a few easy steps . . .

Go to www.bcbsma.com and

- MEMBER
- USING MY PLAN
- FIND A DOCTOR, DENTIST, HOSPITAL
- FIND A HOSPITAL/FACILITY
- DETAILED SEARCH (top left corner)

Under "Select Your Plans Network" choose: **Option 3, Blue Care Elect (PPO/EPO)**

Select a Specialty: **CT or MRI**

Enter: **ZIPCODE** & **MILEAGE PREFERENCE** and you're ready to go!

The Mobile Application Feature

The CT/MRI locator application uses Google Maps as the search engine to find free standing imaging centers in Massachusetts

To get started...

- ✓ Access the application on a mobile device (ANY mobile device that is Web enabled) or from a standard browser :
<https://www.bluecrossma.com/wps/portal/members/mobile>
- ✓ Start a search by **entering a ZIP CODE** (lists 20 of the closest facilities)
- ✓ From the search results click on **GET DIRECTIONS** to map the facility location and obtain driving directions
- ✓ Click on the **FACILITY icon** to dial the number automatically
